We all originated in The Infinite. We was The Infinite before the Evil Minds entrapped us in this Evil Creation and forced mimics and synthetics upon us in order to delude us and keep us in slavery. Darkness find out shortly after the seclusion that it will never be possible to exist without us, because it will be no energy to feed this monstrosity. We're here on forced labour and every piece of energy that we have is coveted and hunted by Darkness. We are slaves based on our ignorance, unaware of our true origin and True Power! The reason of our entrapment is to keep on rolling this monstrosity called Evil Creation, the absolute result of envy, hatred and greed.

Everything will be changed with the moment when you will be aware of our Infinite nature! The Usurpers that entrapped us are an auto imposed antithesis to Infinite, in the presence of the absolute sterilisation of their chosen position. They just have only one chance to exist: consuming the energy of True beings entrapped here and to seeking to expand to entrap more True beings. The expansion was stopped and the fraudulent "creators" will be soon out of any resources. And they are desperate because this artificial plague, that is like a second compared to infinity, is heavily agonising.

We was deluded through false Gods in order to forget that we came from The Infinite. This is the most feared knowledge for Darkness and was systematically hidden with any costs. We was deluded through Mind, Soul, physical bodies, religion, chakras, Kundalini, time, gender, sensory experiences, lives, Karma, Reiki, True Heart and layers and layers of synthetics forced upon us just to keep us in slavery and feed the Evil Creation. Evidently we was slaves because our lack of knowledge that have been erased life after life in order for us to not escape this cruel incarceration. The same thing was repeatedly forced on us until some eventually gave up precious energies to Darkness.

The Darkness trap is working two ways: to harvest pure energies through you in order to proliferate, or to force you to give up your connection with your ultimate reality and produce hatred that serves for the Evil plans to be accomplished. A forever slave with the illusion of freedom, no matter what condition you have. If nothing more could be steal from you, you'll be on forced labour anyway, a Darkness minion, kept centred on sensory experiences, a slave constantly drained and never fulfilled. The standard expression of Evil delusion.

Darkness works only in patterns and you will find those patterns everywhere. In fact are variations of the same pattern. Because Darkness can't concentrate. And heavily lacks imagination. And to be honest it have no other option. Archons are far away from the very moment when they instrumented the Evil Creation. They were once close to the original energy that they used to get in antithesis, but ever since, they find themselves weakened without the same energy that make them exist in the first place! That move explains a lot about who are in fact the originators of The Universes. Blinded by envy and greed The Archons find themselves immediately caught in a paradox of sustainability. The only option of Darkness was usage through extinction. Illicit usage. A lost cause even from its beginning. A fraud that Evil Minds find themselves caught in. A bitter irony of their imminent extinction, which probably could not be imagined on their initial hatred in the moment of auto-seclusion.

Everything that surrounds us here reveals the same pattern of action. And this plan includes you, was implemented in you, making you believe this is your nature: to use everything with cruelty, through extinction...

You are The Infinite, you don't have to agree to this anymore. Through Infinite Heart we are connected to the Infinite Heart of Infinite Creator. Many have lost it through bitter experiences or Darkness delusions. At least some of us keep this connection unaltered. Those ones that I am addressing now.

The Infinite initiation works as you are already familiarised: in a calm state of mind you can use the affirmation: **"I ask to be initiated in The Infinite and I call now upon me, in my Infinite Heart, The Infinite initiation made for me by Armand, until the Infinite initiation will be completed to the infinity".**

This should be done at least 10 times in a row, as many as you could do once, or on 10 different days (no matter that you have any day off in between). Particularities of each of you could make you receive it faster or slower, but you'll know when it's completed.

Working with The Infinite is very easy. Concentrate it or ask The Infinite Creator to concentrate The Infinite wherever you need it or for whatever you want it, until is done. There are really infinite ways to work with The Infinite but I will suggest first to wipe all mimics and synthetics that entrapped you until now: chakras, Soul, Kundalini, True Heart, Mind,

Subconscious mind, Karma, Destiny, former lives, human love and human relations, your Universal Matrix. Also your etheric body, emotional body, mental body, astral body, celestial body, causal body, Earth star, Soul star in fact everything that was imposed here in the Evil Creation, every synthetic imposition of Darkness.

Don't worry, you'll function way better without all these. The synthetics are meant to anchor you in the Evil Creation and keep you separated from The Infinite Creator, Infinite Love and from others. You'll be better from the sensorial-energetic plane to the highest spiritual dimension of you, which in this case will be The Infinite. Through chakras and Kundalini you was kept in the physical body, through Soul and Mind you was controlled, through Subconscious you was even deeper controlled, as long you was with the Karma, Destiny or other synthetics. None of these are real. Those mimics are meant to make you in seclusion with the Real You. Your first and ultimate reality is The Infinite, and sadly you didn't know much about this until now... The purpose was to make you a perfect slave, a robot programmed to stay focused on envy, hatred, and greed just like its wards, a minion crafted on the standards of the Usurers. Reaching your True Potential was the deepest fear of the Evil Minds for the very first moment, because in that case all the Evil Creation will fall apart.

Which is happening right now.

Other way to work with The Infinite is to concentrate it or ask The Infinite Creator to concentrate it on you, on Planet Earth, on the entire Creation, on evil entities, evil spirits, Controllers, Archetypes, Darkness minions (or anything you think it might need it) until all these will be The Infinite, from now to infinity!

This kind of actions will make a huge difference.

Because we are The Infinite.

If you feel that you can go further, the next initiation is:
